

School Supply List for 6th Grade for the 2018-2019 School Year

We will be sharing our school supplies in 6th grade. Sharing supplies helps us get organized quickly and builds community in our classroom. Supply boxes will be at each desk for students to use. We will teach the students about caring for the supplies so they are kept in good condition. These supplies are intended to last the class throughout the year in both classes, and are a thorough list, but if supplies run out, we will be asking for replacement items. **These items will be shared between BOTH 6th grade classes so please purchase the correct number of each item listed below.** Supplies may be brought to school prior to the first day of school. Please bring the supplies in brown grocery bags labeled with the student's name on the outside so that we can sort them easily. **Please purchase items by specific name brand, type, color, size, etc.**
