

School Supply List for 3rd Grade for the 2018-2109 School Year

** We prefer that parents pay the supply fee versus buying your own supplies. Teachers can buy in bulk and get uniform supplies specific to their needs so all students get the same items. If you wish to buy your own supplies instead of paying the supply fee, please use this supply list. We will be sharing our school supplies in 3rd grade. Sharing supplies helps us get organized quickly and builds community in our classroom. If you choose to buy the items, please bring them in a brown paper sack with the child's name on the outside of the sack prior to the first day of school or "Meet the Teacher" night. We will teach the students about caring for the supplies so they are kept in good condition. These supplies are intended to last the class throughout the year in all classes. These items will be shared between three third grade classes, so please purchase the correct number of each item listed below. Please purchase items by specific name brand, type, color, size, etc.
